Projects Completed:

To date, volunteers have helped to install a total of 13,000 CFL's in Asheville Housing Authority's low income rental units. The total result for the CFL change outs will be a **savings of over \$500,000, 5 Million kWh and reduction of 3,700 tons of carbon being released into the atmosphere.**

Check our website for updates:

www.AppalachianOffsets.org

As of 2008, over \$30,000 has been raised through Appalachian Offsets.

Asheville GO! Corps Member

Award Winning (any day now) Website

Check out www.WNCGBC.org for updated resources, classes, and industry news.

The screenshot shows the homepage of the Western North Carolina Green Building Council (WNCGB). The header features the organization's logo on the left and the name "Western North Carolina Green Building Council" with the tagline "Helping build a sustainable community" on the right. Below the header is a navigation menu with links for Home, Membership, Programs, Events & News, Publications, Case Studies, Resources, and About.

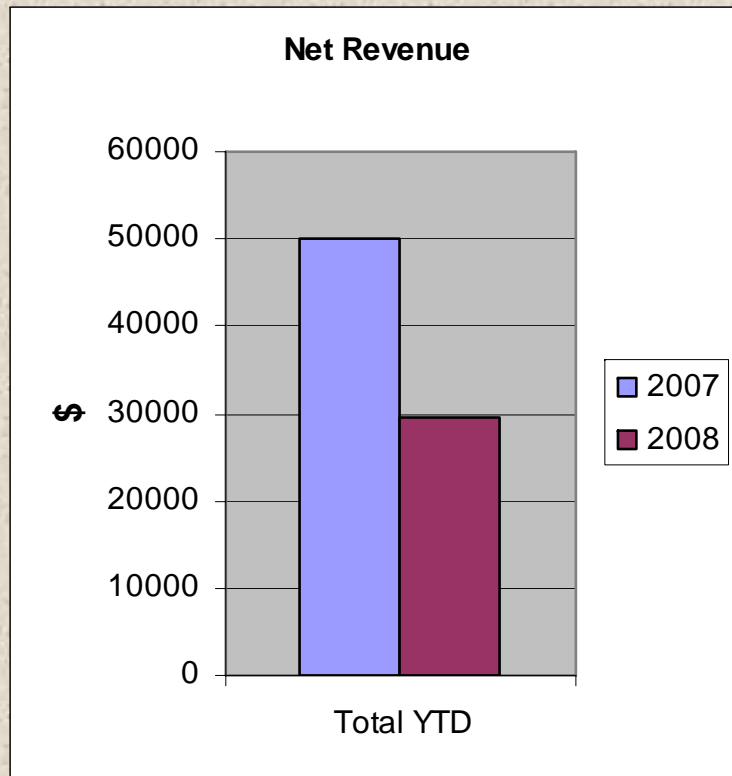

The main content area includes a mission statement: "WNCGB is a 501C3 non-profit organization whose mission is to promote environmentally sustainable and health conscious building practices through community education." To the right of this is a "more info" link.

Below the mission statement is a photograph of a modern, eco-friendly house. To its right, a text block states: "Our main goal is to educate homeowners, builders and architects on the benefits of:" followed by a bulleted list of goals: creating energy efficient buildings, increased use of alternative energy sources, sustainable development, using green building materials, decreasing use of natural resources, preserving topsoil and trees, and reducing storm water runoff.

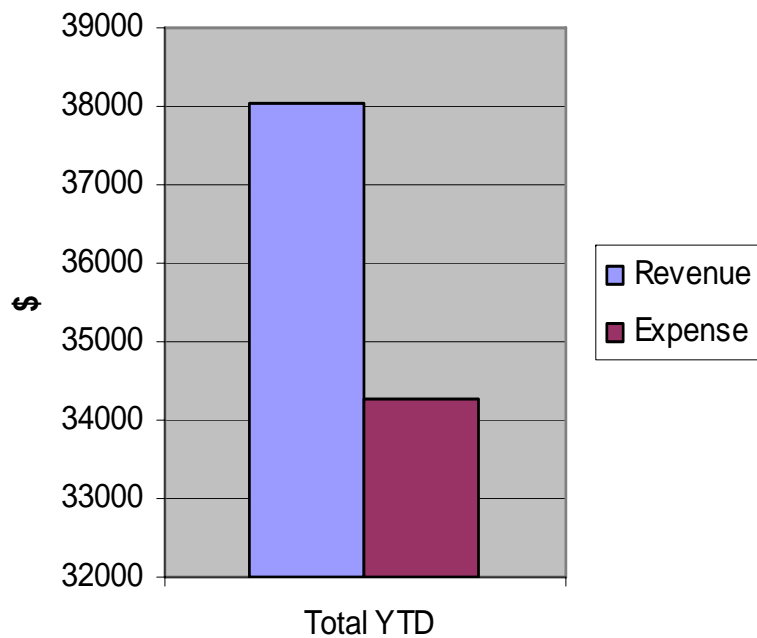

Further down, there is a call to action: "BE PART OF THE SOLUTION, JOIN THE WNC GREEN BUILDING COUNCIL TODAY!" and a link to "SUPPORT BUSINESSES THAT SUPPORT GREEN BUILDING." Below this is a "Highlights" section with several bullet points: a 2009 Green Building Directory Release Party on March 26th, extended tax credits for renewable energy and energy efficiency, the availability of the 2008 Green Building Directory online, and a video about "Home Town Green: One Town's Journey Toward a Sustainable Future."

On the right side of the page, there are several vertical icons and links: "NC HealthyBath Homes Program of Greener Homes" with a "more info" link; "Appalachian Offsets" with a "more info" link; "GREEN EVENTS" with a calendar icon and a "CALENDAR more info" link; "FOR SALE green homes." with a "more info" link; and "SUPPORT WNCGBC DONATE ONLINE" with a "DONATE" link.

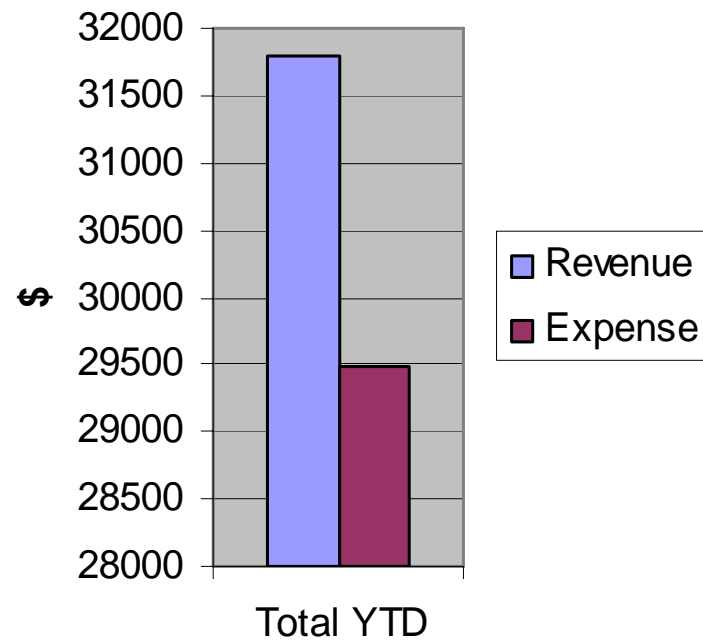

Financial Report: Still alive and kickin'

YTD Classes/Tours R/E 2008

HBH R/E 2008

In April of 2009, WNCGBC will unveil a new 3 year Strategic Plan.
