

Local Green Home For Sale listing:

WNCGBC Business members get one free listing per year. Each addition listing costs only \$20. Listings remain on the website until they are sold.

By listing a home the lister agrees to notify the WNCGBC when the home has sold so that it can be removed from the site.

Criteria:

1. Homes or lots must be in Western North Carolina.
2. Homes must have significant green building features. Certification, while not required will automatically qualify a home to be listed.
3. Undeveloped Lots must have a requirement in the deed that requires only a certified HealthyBuilt Home can be built on it. (This does not apply to the property on which a green home has already been built.)

What we need to submit a listing:

1. A jpg picture
2. UP TO a 30 word description.
3. Contact information
